
Company Profile

Malik Associates is operating for the last 12 years, and prove themselves in the field of Mobile Recharge, Property dealing, General Trading, IT Solution, Technical Consultancy and Retail Business Solution and CCTV Security Solution as well we deal in CASIO Cash Registers and POS Systems. This company born with the interest for providing the better and satisfactory services and support to the customer and remain firm on to their required plate form.

In this long period our company has provided people the satisfactory job in place of their different requirements as in the form of Hotel Management, Retail Business, Small Business Solution and we have expertise to setup Cash Sales system for Shopping Mall, Supermarkets, Restaurants, boutiques. In our long-term experience we have covered up our mistakes and purified them with hard work.

We are keen in doing all sorts of jobs provided to the customers, not only services, we also provide the sales facilities in to the same counters we have different models which fits the different requirements of the customers depending on to their needs & requirements. The most important thing in which we are very confident are our technical skills so we can customize the system as per our customer's requirements and satisfaction.

Similarly we have also a very good history for other office Automation, Security system, PC faxing and Internet sharing etc. in sales, servicing and repairing and in this regard **Malik Associates** has so many clients.

We also provide the yearly and monthly computer maintenance, support and service agreements. Another chapter of our company is to provide periodicals for cash machines, photocopiers, like toner, ribbon, ink rolls, photocopy paper, paper rolls for all kind of cash machines.

In such long-term efforts we had gain a very positive response from the companies to whom we are dealing in the form of chain of Hotels Supermarkets and Shopping Malls.
